PARTNERSHIP OPPORTUNITIES

The Independent Miniature Horse Registry (IMHR) was formed in 2005 by a group of individuals passionate about the breed. The intent was to “Educate, Innovate and Inspire”. Our 21st Anniversary marks a major milestone in this journey and is thanks to our small band of committed volunteers, amazing members and industry support.

The IMHR Grand National is an annual event and welcomes exhibitors of all ages and abilities. Our competitors are aged between 3 years old and 80 years young. The size and versatility of miniature horses makes them an ideal partner to everyone to enjoy.

On behalf of the IMHR National Committee, we welcome your involvement in the 2026 IMHR Grand National Show and thank you for taking the time to review our prospectus. We look forward to discussing the opportunity to partner with your organisation.
