## WIN a \$100 Fuel Card !

Exhibitors travelling in excess of 500km to attend the IMHR National Show are entitled to enter the draw to win one of five \$100 petrol cards. One entry is permitted for each 500km travelled (return trip from home address to Tamworth) and may be subject to verification.

Complete the details on the entry form.

## Substitutions / Scratchings

Substitutions for a horse or pony that is being scratched from that class during the show are permitted upon payment of the office charge per change.

Exhibitor must already have an exhibit entered in the class and be only substituting the horse or pony. Additional entries are not permitted.

All changes must be made by 6pm the day before the class to allow steward sheets to be updated.

## Horses or Ponies for Sale

On the official entry form exhibitors are given the option of identifying horses or ponies exhibiting at the show that are for sale.

A sale fee per horse for sale is payable, and a \$\$ notation will be made in the catalogue next to that exhibits name indicating that the horse or pony is for sale. A list of horses for sale with relevant contact information will be available at the Show Office for potential buyers at no charge. Prices for horses or ponies will be via private negotiation between buyer and seller.

A parade of horses and ponies for sale will be conducted as per the schedule. Exhibitors are encouraged to bring promotional literature to hand out during this parade. Exhibitors must wear the horse or ponies exhibit number to ensure that it is identifiable from the stands.

## Stallion Parade

Parade of stallions shall be held in conjunction with the parade of sales horses. There is no fee to display your stallion in this parade however, he must be an entered exhibit in the show.

Information must be supplied to the announcer (if required) by midday the day of parade.

## Stallion Certificate of Soundness

All Senior Stallions must have a Certificate of Soundness on file with IMHR before being permitted to compete. If horse is not registered IMHR Inc. then copy of Certificate of Soundness must accompany entries.

Stallions showing in AMHA classes aged 3 years and over must include a current AMHA Stallion Verification Report. Please see AMHA section of this Show Premium for more information.

## Measuring

All exhibits must be measured by the official measurer(s). It is a condition of entry that you accept the measurement of the official measurer(s). It is the responsibility of the exhibitor that all horses compete in the correct height class as per final measurement.

Official measuring will take place at the venue near the stable admin building at the following time:

### **Monday 8<sup>th</sup> May midday – 6pm**

All horses and ponies on site **MUST** be measured on Monday. It is your responsibility to plan your trip to Nationals accordingly to ensure you make these official measuring times.

Measuring at other times is by appointment **ONLY** as there is limited time available and **MUST** finish by 8am.

## Measuring Process

You may collect your exhibitor pack prior to measuring from the show office in the main arena from 9am Monday. It will contain your Show Catalogue and Exhibit Numbers plus any additional show information.

Bring your exhibit numbers with your horse(s) to the measuring bay at the specified time. If your horse or pony is registered IMHR you do **NOT** need to bring a copy of their papers. If the horse or pony is **NOT** registered IMHR, please bring a colour copy (or the originals) of the papers with you in case they are required.

All exhibits shall be permitted up to 3 measurements. An additional 3 measurements at last hair of the mane is permitted for horses eligible for and competing in the AMHA USA classes. All horses entered in the AMHA USA classes must have a last hair of the mane measurement recorded. This may be with the current or alternate measurer. The exhibit may not be removed from the measuring bay until officially measured or scratched. No exceptions. Please make sure your horse is ready to be measured prior to entering the measuring bay.

Once measured, your exhibit number will be stamped and the height recorded on the exhibit number plus the IMHR official record. Any horse entering the marshalling area without the official number containing the stamp and measurement will not be permitted to enter the arena.

## Measuring Process (cont.)

Replacement numbers are available for a fee if they are lost or damaged.

Please bring sufficient handlers to the measuring bay to assist with rugs to prevent delays. All rugs must be removed for measurement. Please ensure your handlers are familiar with the exhibits name.

**There shall be no measuring during show times.**

**Failure to arrive in time for Official Measuring or your appointment will incur a \$50 fee imposed for each horse to be measured.**

**There is no guarantee that an official measurer will be available which may result in measuring being deferred until the next available appointment the next morning. There is no refund for classes missed due to missing allocated measuring times.**

Further disciplinary action including expulsion may be taken for a positive swab result.

## Dogs

## Class Information

The age of youth & adult exhibitors is determined by actual age as at closing date for entries. For Three Day Event competitors, age is based on actual age at first event of the 3DE competition.

## Marshalling

Exhibitors must be present in the marshalling area at least 5 minutes before the end of the previous class. Notification of gear and handler changes must be made to the Gate Steward and if time permits, a maximum 3 minute allowance will be made. All equipment required for gear and handler changes must be brought to the marshalling area.

Appropriate footwear (no thongs or sandals) must be worn in the marshalling area or you will be asked to leave the area. Failure to do so may result in disciplinary action.

It is the responsibility of the exhibitor to ensure that they monitor the progress of the classes and are present in time for their classes. They must also ensure that they have sufficient handlers, gear and equipment to ensure arrival for classes in a timely manner.

Any horse not listed in the steward sheet for that class will NOT be permitted to enter the ring. Changes in class entries due to heights or substitution must be annotated on the steward's sheet by Show Management or the exhibitor must hold the appropriate authorisation paperwork to present to the steward. Ensure you are at the marshalling area in time to resolve any issues.

## Show Breaks

Exhibitors should note that there will be breaks during the program at the Judge and Stewards discretion.

Breaks will be announced periodically and displayed on the Show Office noticeboard where possible.

## Judges

An International judge plus local judge(s) will be utilised during the National Show. Allocation of judges to events will be determined by IMHR based on availability.

## AMHA USA Australian Titles

All American Miniature Horse Association (AMHA) classes will run under the rules of the AMHA ([www.amha.org](http://www.amha.org)). All other rules specified in this premium relate to open classes only and do not apply to AMHA classes.

**All horses participating in AMHA classes must be registered AMHA.** Exhibitors must send in a copy of the horse's registration papers, front and back and senior stallions 3 years old and older must provide a Stallion Verification Report for the testicles with entry or entry will be rejected.

Judge AMHA classes:  
Senior Judge Joyce Swanson (USA)

AMHA Show Manager:  
Leanne Gow

## Novice Classes

These classes are restricted to handlers or exhibits that have never won a National Champion award in equivalent classes at a National Show.

For Novice Youth events, the exhibitor must not have won a Champion in any Youth event at National level.

For Novice Driver, the exhibitor must not have won a Champion in any harness event at National level.

For Novice Harness Horse, the horse must not have won a Champion in any harness event at National level.

For Adult Showmanship, the exhibitor must not have won a Champion showmanship class at National level.

## Champion of Champions

All National Grand Champion halter winners in eligible National classes must parade for the Champion of Champions unless a veterinary certificate is produced.

Failure to parade without certificate may result in all awards for that exhibitor being revoked.

Due to minimal entries, the American Shetland and Small Pony Champion of Champion awards will only be split into Junior and Senior if both are sponsored.

## Harness / Long-Reining

For the protection of horses and exhibitors, all harness exhibitors **MUST** provide a header for all harness events. The header must be 18 years old or over and must remain in the marshalling area and provide immediate assistance if required.

Any harness exhibits that are considered unsafe or unsound by Show Management will be asked to leave the arena.

Whips are required for long-reining and all harness driven classes. Winkers are required for harness driving however, are optional for long-reining classes.

See the IMHR Performance Handbook for specific rules relating to Harness events.

## Hi Point Calculation

Calculations for Hi Point Breeder and Hi Point IMHR Exhibitor are calculated as follows:

2 points	1 point
National Champion	National Reserve Champion
National Grand Champion	National Reserve Grand Champion
	Champion of Champions
	Ultimate Gelding

AMHA, American Shetland, 3DE, Amateur, Novice, SIRES, Fancy Dress and Youth events are not included for overall Hi Point awards.
