Hendra & Biosecurity

Vaccination for the Hendra virus is not compulsory but is recommended. Please discuss with your veterinarian.

Biosecurity measures WILL be enforced. Anyone found to be breaching these measures will be asked to leave the venue.

These measures include but are not limited to:

- Routine use of safe systems of work for all contact with horses, horse blood and body fluids, and associated equipment. This includes
 - washing hands regularly
 - maintaining standards of cleanliness and stable hygiene
 - cleaning and disinfecting equipment that has been in contact with horses' body fluids.
- If you have a sick horse, isolate it from other horses, people and animals (e.g. remove companion animals to another area) until you have obtained a veterinary opinion.
- Clean and disinfect all gear exposed to any body fluids from horses before using it on another horse. This includes halters, lead ropes and twitches.
- When cleaning contaminated equipment from a sick horse, wear gloves, cover any cuts or grazes and wash your hands thoroughly afterwards.
- Practise good biosecurity and do not travel with, work on or take sick horses to other properties or equestrian events.
- Do not allow visiting horse practitioners (e.g. farriers) to work on sick horses.
- Seek veterinary advice before bringing any sick horse onto your property.

IMHR Committee and Stewards reserve the right to exclude from competition any horse showing any symptoms of illness (i.e nasal discharge etc.)

Stewards and officials will NOT be permitted to touch any horse for any reason. Ribbons will be handed to exhibitors by the Ring Steward. Exhibitors may place the ribbon, garland on the horse for photographs etc.

Judges and Stewards will enforce bio-security in the ring including the use of hand sanitisers before each class.

Invalid Payments

Payments returned as unpaid for any reason are regarded as a serious offence and will be handled according to the following procedure: a 10 % payment re-processing fee (minimum \$50) will be assessed for every returned cheque or invalid direct deposit. All debts must be paid including re-processing fees before entries will be confirmed.

Merchandise

National Show shirts, vests and caps may be available for purchase at the show or may be pre-ordered via the Online Shop and collected at the show.

Note to Trainers

All client entries must be sent together with full payment of fees. It is the trainer's responsibility to ensure that payment is included – do not ask clients to send payment separately.

Registration Status

Horses and ponies that are registered in the studbook of IMHR that are overdue for IMHR upgrade or have not been transferred to the new owner with IMHR are not eligible to be shown until registration is brought up to date even if horse or pony holds current registration with another society.

The only exception is where the horse is currently owned by a non-financial member. In this case, the horse's status in the IMHR studbook shall be changed to 'Sold To Non-Member'.

Judges

International judges plus local judges will be utilised during the National Show. Allocation of judges to events will be determined by IMHR based on availability.

Judges names will be published once confirmed.

Show Rules

It is a condition of entry that you understand and comply with all rules applicable to the National Show.

The IMHR National Show is covered by the Show Rules listed in the IMHR Constitution and Show Rules, the IMHR Performance Handbook and any additional rules outlined in this publication or as directed by Show Management.

Knowledge of IMHR Show Rules and Regulations, as well as the requirements for each of the classes entered, is the responsibility of the exhibitor.

Copies of the handbooks mentioned may be downloaded from the official IMHR website or members can request a printed copy through the Secretary.

In particular we draw your attention to the following: *No exhibitor may leave the arena or line-up prior to the presenting of ALL awards for that class unless directed by the steward.*

Also please take note of the dress code required for the National Show. All shirts must have sleeves or jackets must be worn. Singlet tops, tank tops or similar will not be permitted without a jacket. Exhibitors must also ensure that outfits convey a professional image at all times. The outfit must cover shoulders and also from chest to knees. **Handlers not suitably attired will be asked to leave the arena.**

Displays of bad sportsmanship will NOT be tolerated. Exhibitors who disrespect other exhibitors, show management, committee, judges or any other person may, at the committee's discretion, be asked to leave the venue without refund or recourse and may be suspended from entering IMHR shows in future.

All exhibitors must ensure that handlers entering the ring are wearing the correct back number. Anyone not wearing the correct number will not be permitted into the ring.

Exhibitors are not permitted to change the colour of any horse (i.e. from bay to black or appaloosa to solid) or to add markings such as socks, face markings.

Stabling

All bookings must be made through AELEC. Visit the website – www.aelec.com.au or call (02) 6767 5858. IMHR will post information on our website and social networking sites about the online booking system once AELEC has advised that it is available.

IMHR Inc. recommends the use of disinfectant in all shared horse areas including the stables and recommends that you bring suitable items for that purpose to assist in protecting the health of your horse.

AELEC requires that all exhibitors pay a stable deposit that will be refunded when stable is confirmed clean. ALL bedding must be removed (not just manure) and placed into designated areas. We recommend bringing a wheelbarrow and shovels for this purpose.

Camping & Parking

All bookings must be made through AELEC. Visit the website – www.aelec.com.au or call (02) 6767 5858.

If you have booked a caravan or camper trailer to be delivered on-site, you must pay additional parking for that caravan or camper trailer and/or any other additional vehicles.

Ensure your parking spot is suitable for your caravan or camper trailer before booking.

Show Breaks

Exhibitors should note that there will be breaks during the program at the Judge and Stewards discretion.

Breaks will be announced periodically and displayed on the Show Office noticeboard where possible.

Measuring

Official measuring will take place at the venue on Tuesday 18th March and Wednesday 19th March (early morning only) for all horses that are on-site. Please plan your trip to Nationals accordingly. Additional measuring times may be available at Committee discretion. Actual measuring times will be advised closer to show date.

All exhibits must be measured by the official measurer(s). It is a condition of entry that you accept the measurement of the official measurer(s). It is the responsibility of the exhibitor that all horses compete in the correct height class as per final measurement.

After the exhibit is setup for measuring by the handler, you may not move or touch the exhibit ie. stretching head up / forward, moving feet, pressing down on any part of the back until the measurer has removed the measuring stick.

The measuring steward shall record the height of the exhibit. The measuring sheet shall be given to the exhibitor to allow them to record the heights for their own records. This sheet must then be presented to the Show Office to obtain exhibitor bags (containing exhibit numbers).

Any exhibitor wishing to have their exhibit re-measured may bring the exhibit back two (2) times to be measured and may accept any of the measurements taken.

Once measurement is accepted by the exhibitor the horse shall not be re-measured unless a valid protest has been lodged.

Please bring sufficient handlers to the measuring bay to assist with rugs to prevent delays. All rugs must be removed for measurement. Please ensure your handlers are familiar with the exhibits name !

Additional measuring times may be available in extreme circumstances but are not guaranteed. There shall be no measuring during show times All exhibits must be measured by 8am on any day they are entered – no exceptions.

Coloured Classes

Horses may only enter ONE colour class. Judging is based on PHENOTYPE (the way the horse looks) and not GENOTYPE (the genetic colour of the horse). Judging is 80% colour and 20% conformation.

Non-pinto silvers and taffies enter the Silver class. Pintaloosa's and horses with multiple patterns and/or colours (i.e. dilute pinto, taffy appaloosa etc..) should enter the Any Other Colour class.

Exhibits may only enter one colour class.

Multiple Judge System

Judged by two or three judges who will present an individual placing to the steward. Placing will be awarded points as follows:

1 st	1 point	4 th	4 points
2 nd	2 points	5 th	5 points
3 rd	3 points	6 th	6 points

All unplaced horses in the class get 7 points.

Scores are tallied and the horse with the lowest score is deemed the winner. The horse with the next lowest scored is deemed second and so on.

A casting vote judge will be nominated for each class prior to the calculation of results. The casting vote judge will normally rotate between the judges for each class. In the event of a tie, the horse that placed higher by the nominated casting vote judge shall be deemed to have placed higher than the horse on the same number of points.

Sashes are awarded to 6th place. Prize pool is based on entry fee and number of exhibit entering the ring (not catalogued – due to height changes and scratching). Amounts are determined by the following calculation:

1 st	40 % prize pool
2 nd	20 % prize pool
3 rd	10 % prize pool

First place getters will also receive a trophy.

Show Management reserve the right to change the number of judges in the event of judge unavailability.
