The Magic Breed Plus system is also useful for detecting colic and for monitoring horses after major surgery.

24 month warranty

Range exceeding 1km possible (500m is easily achieved in built-up areas).

Transmitter can last an entire season on one pair of AAA batteries. The user will be alerted when the transmitter battery is almost empty.

## IMHR National Show Perpetual Trophy

# *Marie Raines Inspirational Award*

In Honor of Marie Ann Raines ~ 27 June 1954 - 13 July 2015

In mid-2015 the miniature horse community lost one of its most admired and respected enthusiasts. Marie Raines was one of the founders of Koriana Park – a stud based in Western New South Wales, which pioneered the breeding of little horses, and which continues to be recognised for the quality of its carefully considered breeding program.

For Marie, showing horses was very much a family affair involving her husband Viv and daughter Kylie. However, Marie's notion of 'family' extended far beyond her immediate household. Marie was an exceptionally kind and generous horsewoman, always quick to lend a hand to exhibitors who may have been struggling to manage horses singlehandedly, or to keep a watchful eye on children while mum or dad were in the show ring. Perhaps that's why almost everyone referred to Marie simply as 'mum'.

Marie's calm nature saw horses warm to her very quickly, and a few gentle words were often all it took for her to settle excitable youngstock. She worked tirelessly for the miniature horse community, helping to organise and support shows in her local area, giving all enthusiasts an equal opportunity to have their moment of victory in the show ring. Yet Marie was content to stay out of the limelight herself.

In June 2012, Marie faced her greatest challenge. Diagnosed with melanoma, Marie, Viv and Kylie would regularly make the 1,000 kilometre round-trip from their home in Warren to Sydney to undergo treatment. Anyone who has ever been brushed by cancer will know just how debilitating treatment can be. But Marie never lost hope, never gave up – and never lost her enthusiasm to share a smile, a laugh and warm hugs with those around her.

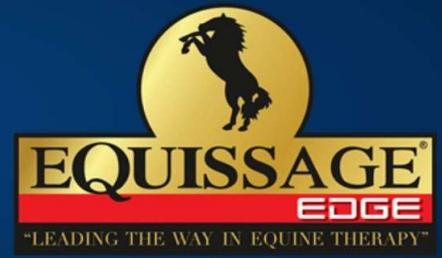

After three difficult years, on 13 July 2015, Marie's journey came to an end, and she passed away surrounded by her loving family.

While Marie is no longer with us, the memories of her kindness and warmth will always shine brightly.

The Marie Raines Inspirational Award embodies Marie's spirit of generosity, selflessness and true passion for miniature horses. This award acknowledges the IMHR National Show exhibitor who shares those same qualities - helping to make the show more pleasant for those around them, inspiring others to aim for the stars, and always putting the welfare of their horses above all else.

To the winner of the Marie Raines Inspirational Award, we honour you just as we give tribute to the remarkable woman after whom this award is named. You are a true source of inspiration, and we know Marie shares your joy in being selected as this year's recipient.

**Proudly Sponsored By Koriana Park**

## VOLUNTEERS

---

Running an event, the size of the Grand National takes a lot of time and effort. Any assistance that you can provide would be very much appreciated. Shoot us an email before the show or come visit the show office to let us know your availability and where you'd love to help out !

---

## MARSHALLING

---

Exhibitors must be present in the marshalling area for their class at least 5 minutes before the end of the previous class. Notification of gear and handler changes must be made to the Gate Steward and if time permits, a maximum 3-minute allowance will be made. All equipment required for gear and handler changes must be brought to the marshalling area. Once the gate has been closed by the gate steward entry will not be permitted into that class.

Appropriate footwear (no thongs or sandals) must be worn in the marshalling area, or you will be asked to leave the area. Failure to follow direction will result in disciplinary action.

Alcohol is not permitted in the marshalling area at any time.

Dogs are not permitted in the marshalling area or in the grandstands at any time.

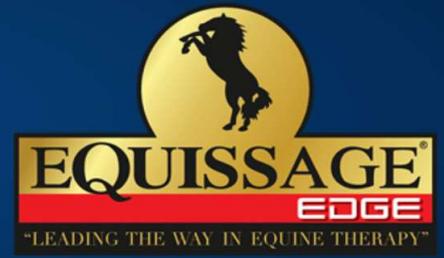

**It is the responsibility of the exhibitor to ensure that they monitor the progress of the classes and are present in time for their classes.** They must also ensure that they have enough handlers, gear, and equipment to ensure arrival for classes in a timely manner.

Any horse not listed in the steward sheet for that class will NOT be permitted to enter the ring. Changes in class entries due to heights or substitution must be annotated on the steward's sheet by Show Management or the exhibitor must hold the appropriate authorisation paperwork to present to the steward. If you have changed classes due to height, the gate steward can verify this via the height stamped on the exhibit number.

Ensure you are at the marshalling area in time to resolve any issues.

All effort will be made to accommodate horses and ponies in other concurrent rings; however, this cannot be guaranteed so exhibitors need to be prepared when they make their entries to have additional handlers ready in case of any clashes. Please keep an eye on all rings and check with the Gate Marshalls for class status and to advise of any potential clashes so that we can hold rings for you if required.

There are no refunds for missed classes.

## MEASURING

---

All horses and ponies need to be measured to attend the IMHR National Show unless:

- ✓ the horse or pony is 5 years and over (actual age) AND
- ✓ holds an IMHR issued permanent height card (PHC).

More information about Permanent Height Cards is available on the IMHR website. Any horse or pony may be re-measured via a protest or at the request of a National Committee member even if holding an IMHR PHC.

Collect your exhibitor bag from the Show Office (see Show Office Opening Hours) **prior to attending measuring**. You will be advised of the measuring location by the Show Office.

This bag contains your exhibit numbers which will be stamped with the horse or pony's height at the measuring bay. It will also contain your Show Catalogue. Use that publication to confirm your classes and to make notes in, especially if your horse measures into a different class rather than the one entered. It is your responsibility to enter the correct class based on your horse's height which will be written on the back of your exhibit number.

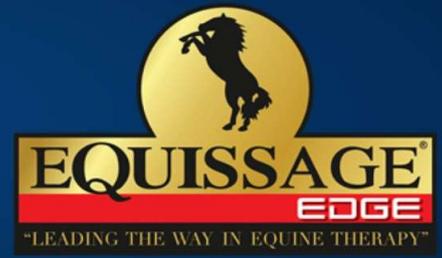

Horses or ponies being used for the Youth National classes or Fancy Dress do not need to be measured for these events but must be measured to enter any other events at the National Show.

Be prepared for measuring:

- ✓ Know your horse or pony's full registered name (not paddock name)
- ✓ Bring enough handlers to hold horses and ponies while your team is being measured
- ✓ Ensure your handlers know your horse or pony's full registered name
- ✓ Understand the IMHR / ASEA / NMR Height For Age rules
- ✓ Know what height your horse or pony needs to be to qualify for the classes you have entered so that you know if you need to move 'up' or 'down' a height class
- ✓ Be ready to be measured when it is your turn by removing all rugs
- ✓ Remember to request a last hair of the mane measurement if entering AMHA classes

Miniature, Small and Little Horses and Miniature and Small Ponies are measured at the highest point of the wither and must meet the IMHR Height For Age to compete.

---

## MEASURING TIMES

---

Measuring location will be advised by the Show Office when you collect your exhibitor bag.

All horses and ponies will be measured for IMHR, AMHA, ASEA and NMR events (where applicable) at the same session to save you bringing horses back multiple times.

**Wednesday 15<sup>th</sup> April – 3pm to 5pm**
